

As a housekeeper, you are often a quiet presence, offering a friendly face and a sense of normalcy for residents and family. By maintaining a clean, organized, and fresh environment, you create a warm, homey feel for residents and their families. A clean space lets residents and visitors know that they are valued and respected and allows the clinical team to focus on care.

We're looking for a committed Housekeeper willing and responsible for day-to-day cleaning of all areas of the hospices except private residents' rooms.

About You

- Excellent communication skills
- Strong sense of empathy
- Desire to help residents, families, and coworkers at a difficult time

Role Requirements

- 1 year minimum previous cleaning experience required
- Valid driver's license
- Self-directed, works with little supervision and maintains a high level of performance
- Effective time management
- Responsible and reliable
- Works quickly without compromising quality

What You Can Expect

- 2 days a week, 3-hour shifts, weekdays
 - Location: Lisaard Hospice
 - Work performed in an indoor and outdoor environment. May include exposure to noise, dust, fumes, noxious odours, chemicals and gases
 - Varying temperature conditions
- Regular interruptions required to interact with staff, volunteers, and visitors
- Hourly wage: \$19.00 - \$23.00
